

## **DOWNTOWNDALLAS Provides Camera Security for new Main Street Park**

With the new Main Street Garden opening in October, six security cameras will be installed, one camera located at each corner and two cameras mounted on “High Mast” poles inside the Garden. The Dallas Police Department will monitor these along with the 82 others in the Downtown Camera System 24 hours a day 7 days a week. The cost of the cameras at Main Street Garden was funded by **DOWNTOWNDALLAS**. Camera installation is set for July for the park.
